## Ben Azulay and Scott Morse Named Central Regional Vice Presidents of TCN Worldwide

---

H. Ross Ford III, President and CEO of TCN Worldwide, is proud to announce Ben Azulay of Bradford Allen Realty Services/TCN Worldwide in Chicago and Scott Morse of Citadel Partners/TCN Worldwide in Dallas will co-chair as the new regional vice presidents for the central region. In this capacity, Mr. Azulay and Mr. Morse will serve as advisors to the member firms located within this region as well as act as liaisons with TCN Worldwide corporate headquarters.

“At TCN Worldwide, we are committed to continually enhancing the level of collaboration and communication between our member firms,” stated Ross Ford. “The role of regional vice president is an important one in our organization. Together, TCN’s regional vice presidents make a tremendous impact, enhancing regional initiatives while building synergy within their respective regions and throughout the organization as a whole.”

Ben Azulay is a Principal & Executive Managing Director with Bradford Allen Realty Services, a Chicago-based, national commercial real estate company that provides a full array of brokerage services and expertise to entrepreneurial and corporate business entities as well as not-for-profit organizations. Ben handles various projects across the real estate spectrum. He works with clients across industries including, but not limited to, marketing and advertising, law, healthcare, and technology.

Scott A. Morse, SIOR, CCIM is a Managing Partner with Citadel Partners, LLC, a privately held real estate advisory firm based in Dallas, Texas. Citadel offers an integrated approach to actively collaborate with clients to create real estate solutions that align and support the client’s business strategy, growth, and brand development. Scott provides advisory services aligning client’s business and real estate strategies to maximize profitability and productivity of the corporate facilities. Scott is involved in leasing, acquisition/disposition and build-to-suit assignments for technology, financial services and oil and gas clients.
