- Taylor Dickerson has joined the Touchdown Club! The Touchdown Club of Dallas was established for one reason: to raise awareness & support for children with developmental disabilities. They are focused on raising funds for the operations of The Ashford Rise School of Dallas. For those of you who aren't familiar with The Ashford Rise School, it is a program that provides educational and therapeutic services to preschool children ages 18 months to 5 years with special needs such as Autism, Developmental Delays, and Down Syndrome (hence 'Touch'-'Down' Club).
- Andy Goldston is now a member of CCIM! This is the culmination of over 240 hours of graduate level study, many dollars and much time to obtain this designation. The CCIM designation is referred to as the "masters in real estate education" and is a huge accomplishment for Andy.
- Mac Morse's little league football is 3-0. Go Falcons!
