## About

Katherine Jessen is an Advisor with Citadel Partners. She offers transaction management skills and a working knowledge of the Uptown/Turtle Creek office market. Her services help companies make informed real estate decisions that maximize their productivity and profitability. Katherine approaches each client's unique real estate needs with a comprehensive strategy that addresses companies' operations, corporate culture, brand, employee loyalty, and finance. By including each of these variables in real estate decision-making and negotiations, clients are strategically positioned for success.
