DESIGNED FOR WHAT'S NEXT

Allen Place represents a new standard for high-end office and flex space in the heart of North Texas. Designed to serve the evolving needs of technology, life sciences, and innovation-driven users, the project blends refined workplace architecture with scalable infrastructure and future expansion capability.

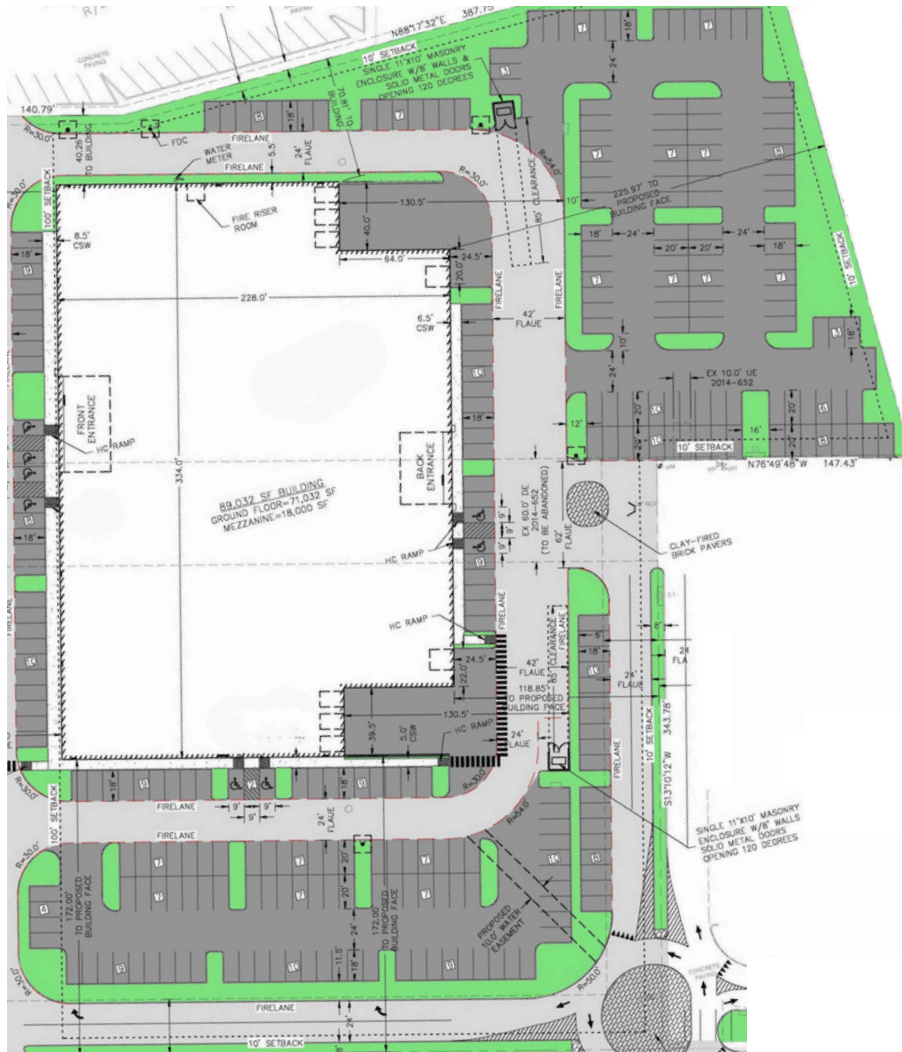

With prominent visibility along Highway 75, an amenity-rich environment, and the ability to grow, Allen Place offers an exceptional corporate headquarters opportunity in a premier, future-ready location.

AT A GLANCE
